

Teacher Impact Grant Application

The Pride in the Tiger Foundation seeks to provide, "...financial and other support for activities and extraordinary educational programs supporting our children's personal growth and development in their pursuit of excellence."

We invite your application for Foundation support by completing this application. Every effort will be made by the Foundation to provide you with the support requested. **Requests need building principal approval (signature) and Superintendent approval (MPS). Technology and curriculum requests will go through District Technology Coordinator & Director of Teaching and Learning. Requests for Extracurricular Activities* will be reviewed and prioritized by the Activities Director.**
